## **RESTORATION OF COMMUTATION PENSION**

Dear Sir,

1. I was enrolled in the Army/Air Force/Navy on ..... and retired from the Army/Air Force/Navy service with effect from ..... and my pension was sanctioned vide PPO No. ....
2. At the time of my retirement I opted for commutation of pension and I was paid Rs..... as commuted value of the pension for which recovery @ Rs. ..../-PM is being affected from my pension which will be recovered in 180 instalments in 15 years from the date of payment of commuted value of pension.
3. It is submitted that the commutation of pension means advance payment of a lump sum amount in lieu of portion of pension surrendered voluntarily by the pensioner based on the duration of period in relation to the age of pensioner. The pension of the pensioner is proportionately reduced to the extent of the commuted portion from the date of receipt of lump sum commuted value by the Petitioner.

4. The recommendations of 6th CPC were implemented by Govt of India, Department of Pension & Pensioners' Welfare vide letter No F. No. 38/37/08 P&PW(A) dated 2 Sep 2008 and revised commutation table was issued based on 8% interest. The provisions of this OM was made applicable to all central Govt to employees by the respective ministries including Min of Def. Therefore at the time of retirement the commutation value has been disbursed to me based on revised Table based on @8% interest.

5. Recently CWP No 2490-2024 Titled Ram Saroop Jindal Vs State of Punjab and others has been filed before Hon'ble Punjab and Haryana High Court with prayer to restore the commuted portion of pension after 10 years and 08 months (128 months) instead of 15 years (180 months) as the recovery of Commuted portion of pension along with interest thereon at the prescribed rate of 08% per annum stands already fully recovered in 128 months. The Hon'ble High court while issuing the notices of motion has also passed directions that "further recovery shall remain stayed."

6. That I am similarly placed and in my case commuted portion of pension also been recovered in 10 years and 08 months (128 Therefore instalments). it is Commuted requested to review my case and stop further recovery of portion of pension and refund excess amount already recovered to avoid unnecessary litigation.

Yours faithfully,

(Signature of the applicant)
